

# VMICC Sustainable Practices Committee

## January 8, 2009

In attendance: Kyle Cruver (chair), Jeff Aistle

Presentation was to be on how to home-brew biodiesel, but without an audience, Jeff and I just shared stories about his adventures.

I had some postcards to distribute about green jobs, a resource guide to recycling on the island that we might develop, and a motion to protect Maury Island from mine expansion.

Meeting concluded 7:30pm

Next meeting, February 5. Topic: Puget Sound Energy and clean energy grants & programs

Submitted by Kyle Cruver (chair)
