### **Current Activities**

- Propose and/or respond to bylaws amendments. Submission deadlines: January General Meeting for vote at the April General Meeting and July General Meeting for vote at the October General Meeting.

- The Governance and Policy Committee has been working on proposed changes to the Bylaws for our April 2011 meeting. A number of changes have been proposed, and they have been analyzed by the committee. - The committee regularly analyzes proposed changes to our Bylaws and our various Operating Procedures. The Bylaws can only be changed twice a year, at the April and October meetings, and the proposals must be made three months in advance so there is plenty of time for discussion of the proposed changes.
